

YOUR TRIBE MAKING A DIFFERENCE

Y GUIDES

The YMCA's Annual Campaign allows children, families, and adults to participate in the YMCA programs you and your family love, regardless of their ability to pay. 100% of the dollars raised will go back into our community.

2018 GOAL

\$155,000

On behalf of the entire Arapahoe Nation, I invite your tribe to contribute to this year's Annual Campaign. Participation helps us provide important resources to children, adults, and families who need and want to be a part of our YMCA.

My challenge for you this year is simple. Pay it forward and ensure that no one misses the chance to make lifelong memories. You can make your pledge at Fall Outing.

I hope you will consider joining the Golden Feather in support of our community.

Pals Forever,
Friends Always,
