JOIN US!

We're excited that you are taking part in the **Big Triangle Clean up!** Here are some important safety tips to remember during the clean up event:

- Don't use a cell phone during the litter cleanup unless someone has an emergency. Always be aware of what's going on around you.
- Wear proper clothing: long pants, closed-toe shoes, nothing that could impair vision or movement. That is appropriate for weather conditions. Do not wear flip flops.
- Be alert for venomous animals (i.e. snakes) or toxic plants (i.e. posion ivy). Make sure that participants can identify a fire ant mound.
- Do not touch or remove any hazardous or sharp materials.
- Do not touch or remove any dead animals.
- Be alert for hidden objects in grassy areas that could be dangerous (i.e. broken glass).
- Don't attempt to crush trash in bags to make more room; this could result in injury.
- Look out for each other! Provide adequate supervision for youth participants younger than 18.

**PLEASE WEAR
GLOVES TO
PROTECT
YOURSELF.**

86iT is Wake County's anti-litter campaign. Visit the 86iT website 86it.com and take the pledge to not litter.
