TAKE A HIKE

TRAILBLAZERS

Base Patch Activity LOCAL AREA HIKING

Hiking is the October activity for the month and is in the area of Forest, Field and Stream. We have partnered with Great Outdoor Provision Company in Cameron Village and they've provided us with some great local hikes! To get a list of the local area hikes go to:

Base Patch

- Work together to map, plan and execute a hike of at least 5 miles
- Take pictures of the Trailhead, wildlife you see, etc.
- Document time, temperature and weather conditions
- Report this back to the Tribe (this can also be Tribe outing)

Bring your picture/documentation in to Great Outdoor Provision Co., the Cameron Village location, and you will get a GOPC patch!
