

YOUR TRIBE MAKING A DIFFERENCE

Y GUIDES

The YMCA's Annual Campaign allows children, families, and adults to participate in the YMCA programs you and your family love, regardless of their ability to pay. 100% of the dollars raised will go back into our community.

2017 GOAL

\$150,000

On behalf of the entire Arapahoe Nation, I invite your tribe to contribute to this year's Annual Campaign. Participation helps us provide important resources to children, adults, and families who many not have appropriate financial means.

My challenge for you this year is simple. Pay it forward and ensure that no one misses the chance to make lifelong memories. You can make your pledge at Fall Outing.

I also hope that your tribe considers giving at a level of recognition to help us celebrate our 50th Anniversary of Y Guides.

Pals Forever,
Friends Always,

Chief Smoking Egg
