

Y Guides Flight Day, Sunday March 18, 2018; 1-4 P.M. Carter-Finley Stadium Parking Lot

Enter through Carter Finley Gate B (marked on the map). Everyone will park in the same parking lot, then walk to your designated area for Rockets or Kites.

To ensure safety for all, Rockets and Kites will be flown in separate lots. You must bring your own supplies, including rocket launcher pad and motors. We will have a kite vendor on site.
