

CHIEF'S CHALLENGE 2018

CHARACTER COUNTS

In honor of celebrating **50 YEARS** of Y Guides in the Triangle area, here is your challenge:

Dads, guides, and princesses are challenged to focus on strong character throughout the year. Strong character is shown by doing something for others when you know that you will receive nothing in return. Strong character is doing the right thing when no one is watching. Remember, Character Counts in life and givers gain more than they receive because they are not looking for anything in return.

Use your tribe meetings as a time to share these stories. Record them on this sheet to save your memories. If you complete this challenge, you will receive a special Chief's Challenge patch at Spring Outing and have the chance to sign our Character Counts board.

DADS:

Share 5 stories of a time when your little guide or princess showed strong character looking for 0 in return.

GUIDES & PRINCESSES:

Share a story of a time when your dad acted like a kid again.
