

Y GUIDES 2022 ANNUAL CAMPAIGN

The YMCA's Annual Campaign allows children, families and adults to participate in the YMCA programs that you and your family love – regardless of their ability to pay. 100% of the dollars raised during each year's Annual Campaign is invested back into our community.

A CAMPAIGN TO CHANGE LIVES

You can continue to make a difference in your community by donating to the Annual Campaign with your Crew. What better way to teach your child the power of giving back? Participate in this community-wide effort to raise funds for children, teens and adults that need our Y the most. Y Guides' 2022 goal is to raise \$130,000.

CHOOSE YOUR FUNDRAISING ADVENTURE!

There are a few ways that Crews can get involved with the Annual Campaign. Choose from the options below!

Donate as a Crew through a Pledge

Choose this option if your Crew wants to:

- Pledge now and then have each dad pay their portion later.
- Pledge now then hold bake sales or other fundraisers to pay your pledge in the future.
- Utilize employee or matching giving programs.

To make a pledge, fill out a paper pledge card at Fall Outing or complete the online pledge form.

Fundraise with an Online Classy Page

Choose this option if your Crew wants to:

- Give now online, which includes Venmo, PayPal, Apple Pay, Microsoft Pay, Google Pay and Cryptocurrency.
- Secure donations from family and friends outside of your Crew members.

** With this option, please don't turn in a pledge also, unless it is to be in addition to what's raised in Classy.*
