GNOME CLUES
 When the flag goes up, I look towards the sky,
 When people are eating, I'm hiding nearby
 I sit here and watch all day long
 And occasionally I hear the Bullseye song
 Need a clue? Here's a freebie:
 This gnome can be found over by BBS
 Hang out where you're "on belay"
 and you'll find this gnome
 I'm not very good at white water rafting
 So I paddle here where rapids are
