## Learning

*it's what completes us.*

### Camps

Triangle Table Tennis offers weekly camps — both summer camps and year-round school track-out camps — for youth at both Beginner and Intermediate levels. Camps are scheduled in afternoon hours for a calendar week block. Camp curriculums vary by camp level and may be adapted to meet the needs and abilities of the individuals enrolled in each camp. Camps are structured to provide fun, recreation, and group learning throughout the week. On Fridays, campers will have the opportunity to play in a simple camp tournament in which small prizes are given to all participants.

### Group Lessons

Group lessons are an excellent way for players of all ages to learn new skills and techniques from qualified coaches, and also to hone and improve those skills through structured practice with other players at a similar level. Triangle Table Tennis offers a wide range of group lesson opportunities, to match the skill levels and schedules of our players. If you are new to table tennis, or if you would like an introduction explaining the features and programs of Triangle Table Tennis, we encourage you to drop by any time to determine which programs might be a good fit for you.

### Private Lessons

Triangle Table Tennis has a team of expert coaches, and many offer private lessons on a pre-arranged basis. Their hourly rates vary based on their backgrounds, experience, or certifications. Private lessons are typically scheduled on our large, separately barriered courts, to allow multi-ball drills without impacting other players.
