2022 CAPTAIN'S CHALLENGE A JOURNEY TO REMEMBER

Our 2022 Captain's Challenge encourages dads and kids to take a "Journey to Remember" through the Y Guides program and beyond. By spending intentional time together, Big Guides and Little Guides can share an exciting journey built on strong relationships, service to our community, and memories that will last a lifetime. Below, you'll see three activities for dads and kids to complete together as part of their journey to remember. Get creative, lean in, and have fun! If you complete the Captain's challenge, stop by the Y Guides store at Spring Outing and pick up a Captain's Challenge patch. Also, if you see Captain Banging Drum out and about, please be sure to share stories of your journey with him.

PLAYLIST

Make a Y Guides playlist of 15 favorite songs to share with your crew and with others at Spring Outing. Dad picks 5 songs, child picks 5 songs, and then both dad and child pick the remaining 5 songs.

ROAD TRIP

Go on a road trip of any duration. Remember it's about the journey not the destination! Share favorite memories from your road trip with your crew and with others. Bonus points if you play songs from your Y Guides playlist!
